The purpose of this ministry is to provide meals to our fellow parishioners, at St Paul's. If you would like to participate by preparing all or part of a meal, please fill in the above information. We will be keeping a list of volunteers, when your name comes up you will be contacted. If, you are unable to prepare a meal or portion of a meal at that time, please notify me as soon as possible. This will enable us to move onto the next name on our list of volunteers. You will be moved to the next needed recipient. For those who would rather do a portion of a meal you'll be paired with someone with the same desires, the two of you can work out the meal details together. Thank you so much for you loving participation in this ministry.
